

Meritus Family Medicine Residency Program

Medical Student Audition Rotations

Audition rotations are recommended for those interested in the family medicine residency program. Meritus Family Medicine Residency is offering a limited number of two-week rotations at this time and these are available September through November only.

The requirements are as follows:

For D.O. students:

- Must have passed COMLEX Level 1 on first attempt and have completed COMLEX Level 2 CE and PE (we understand Level 2 scores may not be available yet)

For M.D. students:

- Must have passed USLME Step 1 on first attempt and have completed USLME Step 2CK and CS (we understand Step 2 scores may not be available yet)

All students:

- Curriculum Vitae (CV)
- Be a student of an LCME or COCA accredited medical school
- Have ties to the Hagerstown region
- Provide a Personal Statement
- Describe why you are interested in Meritus Family Medicine Residency Program

All rotation requests must be submitted by email to Diana Mitzel, Program Coordinator at: diana.mitzel@meritushealth.com . After the information is received, the faculty will review each application and the student will be notified of the status of the rotation request.

Applications are accepted starting March 1st each year for rotations beginning in September. All audition students will have an opportunity to see patients in the residency clinic and attend didactics. Faculty will attempt to tailor the rotation to the student's individual areas of interest. Offering a positive learning experience at Meritus Health is very important to us. Every attempt will be made to fill as many requests as possible.

***Please note:** If you are accepted for an audition rotation, additional documentation will be requested from you or your school prior to starting. Please allow time for application processing. If you are selected for a rotation, you will receive a confirmation email.*
