

# LEADERS IN EQUITY AND DIVERSITY (LEAD) COLLABORATIVE STATEMENT OF COMMITMENT

## Background

The Leaders in Equity and Diversity (LEAD) Collaborative is a learning community of healthcare delivery organizations with a commitment to implementing strategies that address health disparities in diverse and aging populations.

## Terms and Conditions

- Members of the LEAD Collaborative will commit to developing and sustaining a measurable intervention structured to address at least one of the following priority areas identified by the directors of LEAD:
  - Addressing social determinants of health
  - Reducing disparities in health outcomes
  - Increasing leadership diversity
- Members will participate fully in this learning community, by participation in monthly educational and coaching webinars.
- Members will attend all in-person collaborative meetings, as scheduled throughout the project.
- Members will report on relevant progress metrics at regular intervals, as requested by LEAD Collaborative
- Members will support the efforts of other member organizations by sharing best practices as it relates to priority interventions identified through the LEAD Collaborative.

## Communication

Members of the LEAD Collaborative will support planning of internal and external communications as it relates to the progress of the LEAD Collaborative. Progress reports will focus on measurable progress related to equity and diversity in healthcare and health systems.

## Period of Engagement

Members of the LEAD Collaborative will serve as a full member, beginning August 2022 through February 2024. Members may withdraw at any time, by sending a written notice to the directors of LEAD.

*Statement of Commitment: Our organization pledges to support the terms and conditions of the LEAD Collaborative to address health disparities and advance health equity in diverse and aging populations.*
