

Meritus Medical Center's Spiritual Care Department hosts monthly educational sessions for faith leaders, health care providers and members of the wider community.

During this COVID-19 era, we will transition to a strictly virtual meeting, which will be held on the third Thursday of the month, from 8:30 – 10:00 a.m. Topics, and speakers will vary, suggestions are welcome. There is no cost for the meeting; however, an RSVP is required in order to receive the ZOOM meeting code and password.
