

ENGAGE WITH US THROUGHOUT THE 2022 ADVENT SEASON!

Our Living Compass theme for the 2022 Advent season is **Practicing Simplicity with All Your Heart, Soul, Strength, and Mind**. Each year, tens of thousands of individuals across various denominations use our daily devotionals as preparation for the coming of Christmas. Congregations also use the devotionals for Advent programs (including online), classes, small group discussions, and retreats with the help of our FREE downloadable and printable Facilitator's Guide. Below you will find multiple ways you can engage these resources, either as an individual or as a lay or clergy leader.

- Order our Advent devotional as a printed 5.5" x 8.5" **booklet** in English and Spanish (*with separate, original content*) while supplies last. Printed books are \$1 per book (which is 1/3 of our cost to produce the books). Shipping is FREE for orders of 10 or more books and \$10 for orders of 1-9 books. If you have questions about printed books, contact Carolyn Karl at carolyn@livingcompass.org. We often sell out, so please order early.
