

Meritus Pharmacy – Green Pharmacy Initiative

As part of the Green Pharmacy Initiative, Meritus Pharmacy will make it our priority to:

1. Recycle all appropriate stock bottles.
2. Participate in the “drug take back” program.
3. Recycle all appropriately identified items.
4. Use low energy lighting and automatic light switches wherever possible.
5. Use recyclable bags, including end user handle bags.
6. Use Energy-Star rated devices whenever possible.
7. Use an energy efficient or temperature-controlled HVAC system.
8. Use only recyclable end user prescription containers.
9. Use copy / printer paper sourced from recycled products.
10. Use bio-friendly cleaning products where ever possible.

“Reduce / Reuse / Recycle / Turn Off”
